

# Year 6

## Dragon Training

**Focus Book: *How to Train Your Dragon* by Cressida Cowell**

**English**

*This half term we will be reading *How to Train Your Dragon* and we, ourselves, will become Dragon Trainers. We will create our very own dragon to add to the 'Dragonology' text, generate a set of instructions on how to catch a dragon as well as writing a new chapter for the *How to Train Your Dragon* book. We will also create performance Kennings as an ode to our hero Hiccup.*

**Maths**

In maths we will continue to explore and learn written methods to solve calculations. We will also be learning all about angles, shape and applying our maths to a range of investigation and reasoning activities.

Science, Geography and History

**Science**

**Key Questions:**

How are living things classified?  
What are the characteristics that scientists classify living things by?  
Why do we need to classify living things?

**Perseverance**

How does Hiccup's story help us to understand the benefit of a Growth Mindset?

**Discovery**

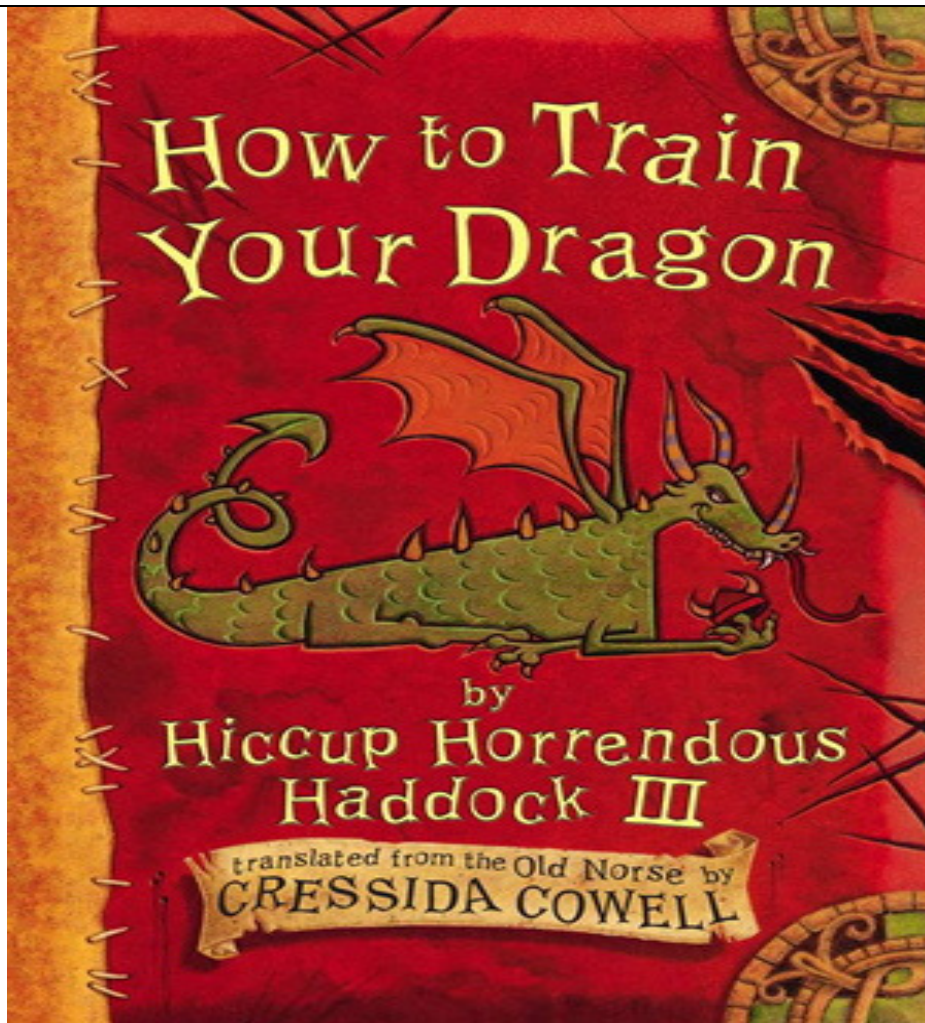

We will investigate the past and find evidence to support our reasoning.

**Growth Mindset**

**In our Growth Mindset lesson this half term we will be looking at how we can prioritise aspects of our learning in order to make progress.**

# How to Train Your Dragon

by Cressida Cowell

Hiccup Horrendous Haddock III was an awesome sword-fighter, a dragon-whisperer and the greatest Viking Hero who ever lived. But it wasn't always like that.

In fact, in the beginning, Hiccup Horrendous Haddock III was the most put upon Viking you'd ever seen. Not loud enough to make himself heard at dinner with his father, Stoick the Vast; not hard enough to beat his chief rival, Snotlout, at Bashyball, the number one school sport and CERTAINLY not stupid enough to go into a cave full of dragons to find a pet... It's time for Hiccup to learn how to be a Hero.
