

Are you under 12?

Do you want to play football on Saturday mornings and train once or twice a week?

If you do, then carry on reading!

We are Little Paxton Colts Navy Team looking for new players to join our friendly, family orientated team!

All we ask for is enthusiasm and that you are willing to listen, learn, improve and have a pair of boots and shinpads!

Come down to training and see how you get on and you could be part of our team at the start of the season.
