

Dear Parents,

It was wonderful to be able to welcome so many parents and grandparents to the Harvest Assemblies yesterday. The children's poetry performances were superb! As I said at the Harvest Assemblies, the generosity of our families and school community is so appreciated by us, and by the St Neots Foodbank. Thank-you again, for all your donations.

As ever, if you do find yourself needing some support from the Foodbank, we are able to help. Please do speak to myself, Mrs Welch or Mrs Tully in the school office.

Mrs Tully has also negotiated a discount over the first weekend of October half-term with Mountain Warehouse—please see details on the next page. Thank-you, Mrs Tully!

Next week in school, we have some Whistle-Stop Tour workshops taking place in Year 6—these will bring together history and music—and draw on their knowledge and understanding of St Neots.

Have a lovely weekend. Whatever you are choosing to do, enjoy the time together.

Best Wishes,

Mrs Keefe

Class Assemblies

Class assemblies take place throughout the year. Parents are very welcome to come to see their child's class assembly. ***The assemblies start at 10.30am—please note, the new time!***

This term, we are looking forward to assemblies from:

- LF5—11th October
- LP6—18th October
- AG5—15th November
- AI6—22nd November

Science Ideas for Home Learning

A booklet of ideas for fun science learning at home has been shared through Seesaw with children / parents. This came through feedback from parents about science learning.

There are some great ideas for some home experiments that can be completed—we hope you enjoy having a go!

Easy Fundraising

Do you know you can earn extra pennies for Friends of Priory through a very simple means. Easy Fundraising is exactly what it says—easy! You can sign up online—either through an App on your phone or website online, and then, whenever you shop, it will donate funds to FOPJS. It costs nothing – but could buy things for your children! A link to the website is [here](#). Then, sign up and link to Priory Junior School (the St Neots one!).
