A Message From Me

I hope you enjoy Half Term and get to spend some good quality family time together. Let's hope the sun shines for the Queen's Platinum Jubilee celebrations.

Activity Idea

Step 1 - Get cutting

Grab your card and let's start cutting. Fold your coloured card in half and cut out a triangle, once unfolded it should make a diamond shape. You'll be able to fold this over your string for a neat and professional finish .

Step 2 - Get creative

Once you have cut out all your bunting flags (triangles) you need to decorate them,

You can use your bunting to decorate your house and garden .

Parenting Top Tip

Doing a craft activity is a perfect opportunity to spend one to one time together

Children learn through play and the role models around them.

By spending time together, you are able to;

- Support their social skills
- Praise and encourage them
- Support their emotions
- Build their resilience when things don't go right
- Laugh and have fun together
