

Dear Parents,

As the school year comes to an end, this will be our last newsletter of the school year.

It's been a year of great change—and it's hard to believe that we had many restrictions in place throughout the year, with this term opening up even more. This has been great—and we have really enjoyed welcoming parents back into school much more. We hope you have enjoyed coming in too!

We have made some adjustments to the final week of term—with the hot weather forecast. Please read the newsletter carefully about this.

Finally, our Year 6 children will be moving on to secondary school at the end of the coming week. They have already had to show great resilience and adaptability during the last couple of years, and we have been proud of their hard work. We wish them the very best for their next stage of education.

May I take this opportunity to wish you all a relaxing summer holiday and look forward to seeing you again on 5th September.

Mrs Keeffe

Year 6 Enterprise Scheme in Maths

The Year 6 children have been involved in an enterprise scheme in maths lessons. Working on a business plan, they have been surveyed the rest of the school for demand, and then sold their products over the course of the last weeks.

There has been a lot of learning—discovering what has been successful, and what has been less successful too.

Well done to all the children on this project.

Uniform Policy

Thank-you to everyone who gave us their thoughts during our consultation on our Uniform Policy.

The policy has now been ratified by the governing body and the following changes have been agreed:

- The only item of uniform we would request has the school logo on is the red sweatshirt / jumper. A plain red jumper is also acceptable.
- PE kit uniform is a red t-shirt and navy shorts.
- Children will change for PE again and not wear their PE kit to school.
- We will continue to promote passing on of uniform, and request donations of second-hand uniform to pass on to families.

Diary Dates

Year 6 Play—DATE CHANGED	20th July
Year 6 Leaver's Afternoon Event	20th July
End of Summer Term	21st July
Autumn Term Starts	5th September

Hot Weather Plans

Monday and Tuesday are forecast to be very hot, and as such, we have put the following plans into place:

- The Year 6 Play has been moved to Wednesday evening.
- Children can wear PE kit to school (please do not send them in sweatshirts) on Monday and Tuesday.
- **Please ensure your child brings a filled water bottle, a sun hat, and sun-cream. We have water in classrooms that these can be refilled from during the day.**
- Break and Lunchtime will be inside.
- Blinds are kept closed throughout the day.
- Windows are opened early before school.
- We will be keeping lights switched off.
- No PE lessons will take place on Monday or Tuesday.
- Classes in upstairs classrooms have alternative spaces to use downstairs as temperatures increase.
- We have three rooms that are air-conditioned that we will be making use of.
- The ground floor classrooms tend to remain much cooler and so, classes will remain in their own room if downstairs.

Please all keep safe in the hot weather.

Enjoy the final days of the Summer Term. See you on 5th September.
