

Dear Parents,

Last week ended with some wonderful Christmas Plays from all the year groups. It was brilliant to be able to welcome parents back to these. The children performed with confidence and enthusiasm – well done to them all!

It was such a cold week last week too, and we're pleased that it has warmed up again. You will no doubt be aware that the cold got to parts of the building, which has left us without the main kitchen at this current time. We hope to get this resolved as quickly as we can, and will provide you with any updates as soon as we are able. In the meantime, please continue to send your child with a packed meal to eat. We will provide for any families that are eligible for free school meals. We apologise for any inconvenience this may cause.

Best Wishes,

Mrs Keeffe

### Parking

It's always a busy time at the end of the school day. Longsands Academy have contacted us regarding parents from Priory Junior School making use of their premises to park. They very kindly request that you do not do this, but find an alternative place to park.

For the safety of all our children, if you are driving to collect, we would ask that you park a little distance from the school and walk the final part, in order to keep the area around school as traffic-free as possible.

### Autumn Term Progress Reports

You will soon receive your child's end of term progress report for the Autumn term.

These are an overview of your child's attainment in key subjects of learning, along with an assessment of your child's effort in learning. The overview should supplement the information given at parents evening.

Should you wish to talk to your child's class teacher about any aspect of this, please make an appointment to do so in the new term.

Christmas Plays

Thank-you to all parents who donated to the charity collection at the end of the Christmas performances. Together, £223 was raised for United Response. Thank-you!
