Dear Parents/Carers,

School Trips Survey

As a school, we very much believe in the value of first-hand experiences for children to enrich their learning in class, but have been conscious of the impact of the cost of living crisis on families.

Following our survey to parents, we are now able to share the results with you.

	Year 3		Year 4		Year 5		Year 6	
Support for Day Trips	100%		93%		100%		97%	
Happy with the Cost of Day Trips	Over £10	100%	Over £10	100%	Over £10	100%	Over £10	100%
	Over £15	90%	Over £15	89%	Over £15	97%	Over £15	95%
	Over £20	77.5%	Over £20	82%	Over £20	90%	Over £20	84%
	Over £25	67.5%	Over £25	71%	Over £25	71%	Over £25	73%
	No limit	32.5%	No limit	41%	No limit	31%	No limit	29%
	Given the above, it would appear that trying to keep trips under £20 would be beneficial to everyone.							
How regularly you would support a day trip	It was clear that across all year groups, the vast majority of parents wanted day trips to take place at least termly, with a good proportion wanting them to take place half-termly.							

It was clear from the surveys that there is strong support for day trips taking place, and we will continue to build these back into our curriculum.

There was also recognition that we are all in different places with regard to the cost of living, and it was heartening to read the comments of parents who would not miss any child to miss out on a trip due to finances. We will, of course, consider this as we plan trips. As a matter of course, we fund all trips for families where we receive Pupil Premium funding.

Providing families with a good amount of notice was clear, and we will establish this within our planning to support everyone, including payment plans where appropriate.

Thank-you to everyone who contributed to the survey.

Yours sincerely.

Tracy Keefe
