

Dear Parents,

It's been a busy week in school this week, with lots of events taking place—we widened our clubs provision this week, and were delighted to see how popular these have been.

It was great to see so many parents at our Coffee Morning and Book Share for Year 3—the children took great pride in sharing their learning with you all.

Thank-you to Friends of Priory for organising the bag drop collection on Wednesday and collecting and sorting all the doughnuts today! We hope you enjoy them. Have a great weekend and enjoy Father's Day together.

Mrs Keefe

### Year 4 Parent's Coffee Morning and Book Share

Year 4 are organising a coffee morning on Tuesday, 21st June for their parents—please come along between 9am and 10am.

Following this, there will be time to come into class between 3.30 and 4pm to see their books. We hope you will be able to join us.

### EW3 Class Assembly

For all EW3 parents, please join us at 10.45am for your children's class assembly on Wednesday, 22nd June.

### Hot Weather

As we continue to experience hot weather, please make sure your child has the following each day in school:

- Sun hat
- Filled water bottle (children have access to refill these in the classroom too)
- Sun cream

We have extra gazebos around the field to add additional shaded areas outside. Today, all children were treated to an ice-lolly to help them cool down during the afternoon—this was quite popular!

### Uniform Policy

We have been reviewing the uniform policy at this time, with a view to support families and reduce costs. A copy of the policy will be sent to all families next week and we hope you will share your thoughts on our suggestions with us.

If you do have any uniform that is in good condition, and no longer needed, please donate it to the office, where we will be happy to pass it on to families who might need it.

### Dan the Skipping Man Returns!

This week, children have taken part in further Dan the Skipping Man workshops—these have focused on building on the children's skills they have developed so far, and taking it a little further, including mastering group skipping games too.

We were also treated to a skipping display too—which was amazing! We were very inspired by this, and we look forward to seeing the children continuing to practise their skills.

### Year 5 Drumming Workshops

A big thank-you to Mr Neuhauser, one of our parents, who led drumming workshops for our Year 5 classes this week.

These were met with great enthusiasm, and the children's timing in their playing was superb!
