20<sup>th</sup> May 2022

Dear Parent or Carer

### **KIMBOLTON SCHOOL PHYSICS MASTERCLASS – *MUSIC, LIGHTS, CAMERA, ACTION!***

Kimbolton School has offered the opportunity for some of our Year 5 children to attend its Physics Masterclass, which will be on Wednesday 6<sup>th</sup> July 2022 in the Lewis Hall at Kimbolton School, starting at 6pm.

The Physics Masterclass is a fast-moving, action-packed exploration of the physics of the theatre, entitled '*Music, Lights, Camera, Action!*' and involves some super-sized experiments and plenty of audience participation. Though designed to be fun and appealing to children, it includes serious content and will challenge pupils to explore science beyond the National Curriculum and in a way that is not often available to primary age children.

This is the only Physics Masterclass for this year group and is open to a number of local schools. If you wish your child to attend, please book using Kimbolton School's online booking system at [www.ticketsource.co.uk/kimbolton](http://www.ticketsource.co.uk/kimbolton) noting the following points:

- Tickets will be allocated on a first-come, first-served basis and 'sales' will finally close at 7.30pm on Sunday 3<sup>rd</sup> July. We strongly recommend that you do not delay in requesting tickets.
- The Masterclass will include many bangs and is therefore unsuitable for younger children or for those of a nervous disposition.
- Children need to be accompanied throughout the Masterclass by adults who will remain responsible for them while at Kimbolton School. Also, as places are very limited, please do not bring non-Year 5 siblings to this event.
- This event will not be socially-distanced but attendees will be welcome to wear face coverings.
- When booking, you will need to use the password **MECHANICS** and enter the name of our school plus the name of each person attending.
- There is no charge for the Physics Masterclass. The booking system will ask you to checkout but no payment will be required.
- Kimbolton School is keen to involve children from as many different schools as possible when audience assistance is requested. **Please dress your child in school uniform** for this event so that the staff can easily distinguish between schools.
- **Please take any necessary inhalers etc** as there will be some unavoidable smoke.
- Kimbolton School staff may take some images of the children involved in our experiments. They may use some of these on the School's website and in the local press to publicise this

initiative. Please indicate on your booking if you do not want your child to be photographed.

- Take your tickets with you and be seated by 5.50pm please.
- If you are unable to attend, please contact Mrs Alison Ainsworth (see below) so that your seats can be released to others.
- For more information about Kimbolton School's Masterclasses programme, please visit [www.kimbolton.cambs.sch.uk/masterclasses](http://www.kimbolton.cambs.sch.uk/masterclasses).

If you have any questions about this Masterclass, please contact Mrs Alison Ainsworth, Masterclasses Co-ordinator, Kimbolton School, on 01480 862207 or via [prcomms@kimbolton.cambs.sch.uk](mailto:prcomms@kimbolton.cambs.sch.uk).

Yours Sincerely,

Tracy Keefe
