A Message From Me

I hope you all enjoyed half term holiday and maybe picked a pumpkin or two?

If anyone would like support or advice, please get in touch via the email below and we can arrange either a phone call or video call via Microsoft Teams.

Make a Poppy

You can show your support by making a cost-effective poppy or make lots of them for a creative window display. Follow the link for instructions:

Sensory Autumnal Play Dough

Have fun with your child making play dough, and then even more fun playing with it afterwards.

You'll need: 8 tbsp plain flour, 2tbsp table salt, 60 ml warm water, 1 tbsp vegetable oil, 2 tsp cinnamon or nutmeg, orange food colouring (optional)

- In a small bowl mix together the oil, water and food colouring.
- In a different bowl mix the flour, salt and spices.
- Pour the wet mixture into the dry mixture and stir together.
- Dust a surface with flour and plop the dough onto it, then knead until it all comes together.

Now you have your sensory dough! You can even add acorns or crunchy leaves to it to make it even more sensorily engaging.
