

RISK ASSESSMENT

Educational Setting	Priory Junior School
Activity / Task	COVID-19 Risk Management Assessment (Educational Settings)
Completed by & Date	Tracy Keefe 5 th January 2021
Review Date	March 2021

What are the hazards?	Who might be harmed and <i>how</i> ?	What are you doing already?	What further action is necessary?	Action by whom?	Action by when?	Done
Prevention		<ol style="list-style-type: none"> 1. minimise contact with individuals who are unwell by ensuring that those who have coronavirus (COVID-19) symptoms, or who have someone in their household who does, do not attend school 2. clean hands thoroughly more often than usual 3. ensure good respiratory hygiene by promoting the 'catch it, bin it, kill it' approach 	<ol style="list-style-type: none"> 1. Isolation rooms to be used are: Meeting room Medical room All staff to ensure that children with symptoms remain in these rooms on their own. Staff member only to go in if urgent medical assistance needed, and MUST be wearing PPE in this circumstance (kept in school office). 2. Children to sanitize hands on arrival – 12 sanitizer stations on playground to assist in speed of entry here, wash / sanitize hands whenever moving to a different space, before going up the stairs, and before eating. Hand-washing must be with soap and water before eating. 3. Tissue boxes to be kept replenished in classrooms – all children to have a set of disposal tissues, with bags to keep them in once used – then binned in central class lidded-bin. 	<p>Tracy / Carolyn / Sam</p> <p>Sam / Carolyn</p> <p>Tracy Carolyn</p>	<p>Ongoing – signage when used.</p> <p>Sept 3rd</p> <p>July order September – classroom</p>	

What are the hazards?	Who might be harmed and how?	What are you doing already?	What further action is necessary?	Action by whom?	Action by when?	Done
		<p>4. introduce enhanced cleaning, including cleaning frequently touched surfaces often, using standard products such as detergents and bleach</p> <p>5. minimise contact between individuals and maintain social distancing wherever possible</p> <p>6. where necessary, wear appropriate personal protective equipment (PPE)</p>	<p>4. Classrooms cleaned as per usual cleaning schedule. Shared items with other classes to be cleaned using Milton sterilising solution. Banisters, toilets, door handles cleaned during the day at various intervals.</p> <p>5. Training day on 3rd September to brief all members of staff on expectations and social distancing around school. Staff to remain 2m distance at all times. Staff to work within class bubbles.</p> <p>Limit on numbers of children within class bubbles – no more than 50%</p> <p>6. PPE – gloves, disposable aprons for cleaning / First Aid available – in each classroom / The BASE / face masks with PPE kit for treating children with symptoms – kept in the school office</p>	<p>TK / CT – arrange additional cleaning hours</p> <p>SC – cleaning routine</p> <p>TK / CT</p> <p>TK / CT</p> <p>CT / SC</p>	<p>packs</p> <p>July</p> <p>Sep 3rd</p> <p>Sep 3rd</p> <p>Sep 3rd</p> <p>Jan 7th</p>	
Response to any infection		<p>1. engage with the NHS Test and Trace process</p> <p>2. manage confirmed cases of coronavirus (COVID-19) amongst the school community</p> <p>3. contain any outbreak by following local health protection team advice</p>	<ul style="list-style-type: none"> Ensure all staff are aware of the Test and Trace process Ensure all staff fully understand requirements re: Test and Trace and what would make them have to self-isolate. Share process for managing cases with parents ahead of re-opening. Telephone DfE Coronavirus Helpline re: confirmed cases Email LA re: confirmed cases using emergency school closure email / rota of staff available each day. 	<p>TK</p> <p>TK</p> <p>TK</p>	<p>3rd Sept</p> <p>By July 22nd</p> <p>As appropriate</p>	

RISK ASSESSMENT

What are the hazards?	Who might be harmed and how?	What are you doing already?	What further action is necessary?	Action by whom?	Action by when?	Done
Contingency planning for a further outbreak		<ul style="list-style-type: none"> In the event of a local outbreak, the PHE health protection team or local authority may advise a school or number of schools to close temporarily to help control transmission. Schools will need a contingency plan for this eventuality. 	<ul style="list-style-type: none"> Letter to be written to all parents to inform them of closure. Ensure all parents have log-in details for all online tools: See-Saw, Charanga, Mathletics, TT Rockstarts Ensure all new children have access to online tools Access resources for planning – as per remote learning policy. Ensure overviews of week placed on website. Set up telephone call schedule and checks spreadsheet for all children at home. Invite vulnerable children into school. Continue contact with vulnerable children at home – establish new spreadsheet of safe and well checks. 	TK TK / CT TK / TA TK / EW / CS TK / All Class teachers / TAs TK / EW / CS / RD	5 th January 5 th January As appropriate 5 th January – reminders – overviews written ready for Friday each week (CTs) 6 th Jan Calls recorded each week 7 th Jan	
Social Distancing in school		Contact minimised between individuals and social distancing maintained wherever possible Number of contacts between children and staff kept reduced through keeping groups separate (in 'bubbles') and through maintaining distance between children and staff.	<ul style="list-style-type: none"> Classes to be kept as a 'bubble' – contact with teacher and teaching assistants. 'The Snug' group – limited group that has contact within Year 3 group. 2m distancing to be maintained by staff PPA re-organised to maintain to reduce number of staff in 	Shared changes with staff - TK	5 th Jan	

What are the hazards?	Who might be harmed and <i>how</i> ?	What are you doing already?	What further action is necessary?	Action by whom?	Action by when?	Done
			<p>contact across the school further, as follows: EW3 - KW (DHT Release and PPA) JE3 – SON (supply – only in our school/ this class) HW3 – JH/NW provide PPA for each other KB4/MC4 Gp.1 – KS (supply – only in our school / this class) JB4/MC4 Gp. 2 – JB / MC provide PPA for each other CS5 – NT (DHT Release and PPA) TR5 – JT/ER provide PPA for each other AI5 – KM (HLTA already in this class (NQT Release too) Year 6 - HR / DF / AG provide PPA for each other</p> <p>Zoned and timetabled areas of playground and field for break and lunchtimes – staggered timings for usage.</p> <ul style="list-style-type: none"> No staff moving between bubbles to maintain reduced contact with others. Staff to maintain distance from each other. PPA time to be taken off-site – at home. All mtgs held to take place using Teams 			
Cleaning		<ul style="list-style-type: none"> Areas that have been ‘moth-balled’ to be deep-cleaned over Summer holidays. More frequent cleaning procedures should be in place across the site, particularly in communal areas and at touch points including: <ul style="list-style-type: none"> Taps and washing facilities 	<ul style="list-style-type: none"> If we are informed that someone has tested positive with covid-19 then any area/room they have accessed will be secured for 72 hours and undergo a thorough clean. 	Sam / Carolyn	As appropriate	

RISK ASSESSMENT

What are the hazards?	Who might be harmed and how?	What are you doing already?	What further action is necessary?	Action by whom?	Action by when?	Done
		<ul style="list-style-type: none"> ○ Toilet flush and seats ○ Door handles and push plates ○ Handrails on staircases and corridors ○ Machinery and equipment controls ○ All areas used for eating must be thoroughly cleaned at the end of each break, including chairs, door handles ○ Telephone equipment ○ Keyboards, photocopiers and other office equipment, classroom desks and chairs. 	<ul style="list-style-type: none"> • COSHH risk assessment for cleaning/caretaker activities has identified the correct process for cleaning and PPE to be worn. • Increased cleaning of central areas during the day: taps, toilets, door handles, handrails, with classrooms having final cleans at end of each day. • All surfaces, including in classrooms, to be kept clear to enable ease of cleaning. • Outdoor play equipment distributed into toy tubs for each class bubble. Equipment in these tubs to only be used by class bubble. 'Lost' equipment found – to be redistributed after being in Milton sterilising solution for 15 minutes 	<p>Sam</p> <p>Sam</p> <p>Class Teachers / SC</p> <p>Sam</p>	<p>Sept 3rd</p> <p>Sept 3rd</p> <p>Sept 3rd</p> <p>daily</p>	
Lunchtime Catering facilities		<ul style="list-style-type: none"> • Staggered lunchtimes in operation • Children eating in classrooms – with cold lunches packaged up and provided by ABM – delivered to classrooms 	<ul style="list-style-type: none"> • Staggered lunch-times for year groups – with all classes eating in classrooms. • Timings of lunch-time: Y3/Y4: 12noon – 1pm; Y5/Y6: 12.30 – 1.30pm • Midday supervision – midday supervisors allocated to class bubble – stay with this bubble. TAs who are midday supervisors remain with own class bubble. • Hot food service from ABM 	<p>EW / CS – re-allocate playground zones and timing</p> <p>Tracy</p>	<p>5th Jan</p> <p>5th Jan</p>

- Coronavirus (COVID-19): implementing protective measures in education and childcare settings can be found [here](#)
- Safe working in education, childcare and children's social care settings, including the use of personal protective equipment (PPE) can be found [here](#)

General staff and pupil advice on limiting the spread of coronavirus in the Educational Setting

Government advice is clear PPE, including facemasks should be taken into account where employees could be put at risk. The use of such PPE does not replace or reduce the need to follow the government guidance in relation to hygiene practices

Frequently clean and disinfect objects and surfaces that are touched regularly, using your recommended cleaning products.

- Wash your hands with soap and water often – do this for at least 20 seconds.
- Use hand sanitiser gel if soap and water are not available.

- Staff and Pupils should wash their hands as soon as they get to school and when they arrive home, after they blow their nose, cough or sneeze, before they eat or handle food.
- Cover mouth and nose with a tissue or a sleeve (not hands) when you cough or sneeze.
- Put used tissues in the bin immediately and wash your hands afterwards.

Handwashing techniques advice can be found [here](#)
