7<sup>th</sup> October 2021

Dear Parents,

### **Change to Routines in School Currently**

You may well be aware that we have had a small number of confirmed cases of Coronavirus in school during the last week. We continue to inform the Local Authority where this is the case and work with them on this.

Thank-you for all your support in notifying us promptly of testing and outcomes – it is of great help to us all at this time.

Following a rise in cases in Huntingdonshire schools, the Local Authority have advised all schools in this area to make some changes to arrangements in school. The following measures have been put in place with immediate effect and we will be advised of any changes to this at the end of this half-term, when we expect it to be reviewed:

- All adults in school are now wearing face coverings in communal areas.
- All adults in school have been asked to social distance from each other.
- Visitors to the school will be asked to wear face coverings.
- Events for parents must take place virtually at this time.
- Assemblies must take place virtually at this time.

This has meant our harvest assembly was affected in terms of it moving to a virtual assembly – the children were amazing, and adapted brilliantly to this change. They performed and shared a variety of poems related to harvest – we will share some of these in our October newsletter for you to enjoy. Thank-you for your generous donations which will go to the St Neots Foodbank.

We will continue to monitor confirmed cases in school, and will continue to work closely with the Local Authority on this too. If any additional changes are necessary at any point, I will let you know as soon as possible.

Thank-you all for your understanding and support with this.

Yours sincerely,

Tracy Keefe
