

Dear Parents,

It was great to see so many parents at our Coffee Morning and Book Share for Year 4 this week—the children took great pride in sharing their learning with you all. We have been pleased to see parents back in school with our coffee mornings and book shares.

We all enjoyed the super assembly by EW3 - well done to all the children!

I know the children will be very excited as they wait to find out who their new teachers will be in September—we have a good morning planned for them on Tuesday next week, where they will meet and take part in activities with their new teacher.

Mrs Keefe

### EL3 Class Assembly

For all EL3 parents, please join us at 10.45am for your children's class assembly on Wednesday, 29th June.

### Staffing

A warm welcome to Mrs Pledger, who joined our teaching assistant team this week, working in our Year 5 classes.

At the end of this school year, we will be saying goodbye to Mr Folly and Mr Emmess. Mr Folly is taking on a new venture, and Mr Emmess is taking on a role as a Phase Leader within a school. We will be sorry to see them go, and I am sure you will join me in wishing them the very best in their future careers.

We will be welcoming Mr Brolia and Miss Nutter to our teaching staff in September, and I know they are looking forward to joining Priory and meeting their new class next week.

### Common-Health Walk

As part of the school's build-up to the Commonwealth Games in July, the Common-Health Walk started this week. Please remember to notify us of any miles you do using the link which was sent home in the letter last week.

We are trying to collectively walk around as much of the Commonwealth as possible. You can tell us about any exercise your child does, this might be walking to/from school, walking the dog or even miles run on the football pitch.

### Sports Day

We are all looking forward to a return to a 'normal' sports day next week—and we hope you will join us for it.

Once the children have arrived at school on Friday, parents will be able to come onto the playground and head towards the field. Please make use of the chairs which will be set out for spectators, so that everybody gets a good view. Please remain in the spectator area while the activities take place.

Once the activities are completed, we will move the children to sit alongside the running track. Once they are seated, please come and join us on the opposite side of the track.

Friends of Priory will be serving refreshments at the start of Sports Day—please bring your pennies!

### Sporting Competitions—Updates from Children

On Tuesday, eight children played in a hockey tournament. The team went to St Ives, we really enjoyed trying something new and it was great to see lots of other teams from other schools.

Last week, a group of children went to St Neots Football Club. It was a lot of fun. We got to play against other schools, instead of counting goals, we scored points for things like teamwork and honesty.
