15th June 2022

Dear Parents,

The Common-'Health' Walk!

This year the Commonwealth Games are taking place in Birmingham. At Priory Junior School we are always looking for ways to inspire children to get active and this year is no different. Therefore, I am writing to you with a very exciting new challenge for our children to complete for the final half term of the year. We are going to try and visit (virtually) all of the countries in the Commonwealth! We will call it the Common-'Health' Walk! We will use our already scheduled time on the school track in classes and would be delighted if you joined in at home starting on Monday 20th June.

To enable you to participate at home, there will be a form sent home electronically which should allow you to tell us any miles you do outside of school. You can include anything which your child participates in, you could include: dog walking, going for a run, going out for a walk, walking around town, walking in the woods or anything else you do! The aim of this challenge is to get the children active so please only include miles which your child has completed with you. It does not need to be exact so rounding to the nearest mile will be fine, you do not need to upload proof or any route tracking.

Please upload your information on to this form:

<https://forms.office.com/r/V2WcwY7VH6>

You can use this link to enter data as many times as necessary.

This year a large focus for the School Games is the Commonwealth Games and using the Games to inspire children to participate in physical activity. We are very excited by this opportunity and hope that you will get active in the beautiful summer weather we now have.

It will be great to see how far we get!

Yours sincerely

Mr Emmess
