

Dear Parents / Carers,

Last Sunday, a gathering of staff, parents and children came together as part of our OPAL Community Build Day. There was a great team spirit, and we made great headway in creating a mound over our tunnel, building the structure to our mud kitchen, and launching the boat on our beach area. Thank-you to everyone who came along to help—we really appreciated it. Seeing the children's delight with the new additions to the field has been a joy.

We have been very proud of our Year 6 children this week, as they completed their SATs. They all worked hard and showed great determination. Well done to you all.

Our Year 4 children have all returned from their residential trip to Burwell House. We look forward to hearing more about their time away. We hope you all recover over the weekend.

TH5 also treated us to a wonderful class assembly on Wednesday too—with a very theatrical retelling of Beowulf, and fantastic singing too. Well done!

Have a lovely weekend.

Best Wishes,

Tracy Keefe

Start of School Day

Being ready for learning at the start of a school day really supports children with the day ahead. Our gates open at 8.35am, with learning activities taking place in classrooms from the time children arrive.

Registers are taken at 8.45am (Year 5/6) and 8.50am (Year 3/4). Arriving in class after this time means your child is recorded as late in the register.

Year 6 Residential Information Evening

We are holding our Year 6 Residential Information Evening on 20th May—at 5.30pm—in the school hall. Please come along to find out more about the trip.
