Dear Parents/Carers,

School Trips Survey

As a school, we very much believe in the value of first-hand experiences for children to enrich their learning in class.

We usually have a programme of school trips that are linked to the aspects of learning taking place in class, and also supplement this with visitors to school too.

Last year, we returned to holding a residential visit in Year 6 following the pandemic. This year, we would like to hold this again, and extend this further – to a programme of day trips and a Year 4 Residential Trip to Burwell House.

Of course, we understand that we are all living in a time where the cost of living is adding pressures to our daily lives and as such, we would like to hear your thoughts on this, in relation to trip planning.

Please can you complete a short survey for us, so that we can take your views into account as we plan ahead for the year. The survey can be found here: [Year 5 Survey](#)

Yours sincerely,

Tracy Keefe
