

Dear Parents,

Welcome back to the Summer term!

Our Year 4 children are currently enjoying their residential to Burwell House—we look forward to hearing all about their time away. They left full of excitement, looking forward to what lies ahead.

The chicks have now joined the rest of the chickens, albeit in a separate space within the coup — they are continuing to grow, and very soon, they will add to our brood.

We have many events planned over the coming weeks. Next week we will be inviting the children to join us in celebrating the Coronation of King Charles III—as part of this, we will be exploring what a coronation involves and the valuable role of volunteers in our country (as part of The Big Help Out). We'll also be having a special Coronation lunch on Friday, and are planning to plant some bulbs around the grounds to remind us of this occasion each year.

The weekend coming is the first Bank Holiday weekend in May—we hope to see you many on you on 2nd May. Please be aware that this is the second day of the NEU's industrial action and we will share how this will affect our school as soon as possible.

Best Wishes,

Mrs Keefe

Parents Information Evenings

We are keen to support parents in finding out more about school, and how best to support children. As part of this, please could you take some time to complete a survey. Click [here](#) to do so.

We would like to know which events you would be interested in, and which ways of holding these work best for you.

Inhalers and Medication

If your child requires an inhaler in school, please remember to:

- Complete an Asthma Care Plan and Medication request form from the office.
- Ensure we have your child's inhaler with this, in its original box and clearly labelled for your child

These should all be dropped in via the School Office so that our records are up-to-date.

A very similar process is in place for emergency medication—please complete the care plan and medication request form and return to the school office, with your child's medication—in the original container, with the prescription labelling on.

Half-Termly Overviews

You will receive your child's half-termly overview on Friday—this contains details of the learning that is taking place this half-term, including the book they will be reading as part of their English learning.

Please speak to your child's class teacher if you require any further information, or you would be able to offer some expertise in some way.

The Big Help Out

If you would be able to spare some time on Friday, 5th May to help with planting bulbs, we'd love to see you! Please pop into the office, and let us know if you can help.

Nut Safe School

Please remember that we are Nut Safe school and as such, request that you do not send any food into the school—snacks or lunchboxes—that contains nuts.

This is to assist us in keeping any children with allergies safe. Thank-you for your support with this.

Coronation Lunch

Don't forget to pre-book your school lunch for Friday, 5th May! There are two menus—a cold and a hot option—menus are below.
