27th March 2018

Dear Parents

I am contacting you regarding a school competition which aims to inspire young people to think creatively about cooking using healthy and nutritional ingredients. We very much hope you'll be able to take part by creating an exciting recipe and entering online for the chance to win £500 for our school.

The Yes Peas Campaign, run by the British Growers Association, is launching Britain's Young Pea Chef of the Year 2018 *in association with The Ocado Foundation* for the third year in a bid to challenge your budding chefs to come up with healthy and exciting reci-peas! They are hoping to get more people eating the humble Great British pea, and the Young Pea Chef competition is the perfect way to go about this.

Entries are now open and this year they have widened the age range to accommodate for the great success we had last year. You'll find a fantastic poster attached to this email giving you details how your child could entry and the website (www.youngpeachef.co.uk) provides further information about the competition.

THE PRIZE

The winner from each category will receive a fantastic £500 donation from The Ocado Foundation to their school to fund 'Grow-Your-Own' projects and the winning recipe from each category will receive a personalised cooking hamper and be featured on our website and social media for other pea aficionados to cook at home.

Yours sincerely

Julie Tack
Eco-Subject Leader
