Dear Parents / Carers,

Before School Arrangements – Year 6

We have become aware that some of our Year 6 children are meeting before school and gathering on a green on a street close to the school. We have received reports that they are quite loud and also engaging in risky behaviour at this time. We are concerned that this may lead to someone getting hurt.

We would like to remind you that, as parents, you are responsible for your child's safe journey to school and ask that you go through clear expectations with them, if they are making this journey independently. We have spoken about this at school too.

We request that this expectation would include them being mindful of the school's neighbours, and also about them acting in a responsible way.

Yours sincerely,

Tracy Keefe
