Dear Parents,

Please find attached a copy of your child's annual report for this year. The reports are slightly amended this year due to the affect of the pandemic.

You will find the report contains teacher assessments for all subjects taught, along with effort grades for learning. These are the assessment of your child at the end of the Spring term.

The key at the top of the report should be used to interpret the colours given for attainment (the level in learning your child is reaching), and the effort seen in lessons.

You will also find information regarding attendance – this is your child's attendance up to 20<sup>th</sup> March.

If you would like to discuss any of the contents of the report with your child's class teacher, please email or telephone the school office to request a telephone appointment.

Yours sincerely,

Tracy Keefe
