

Priory News

Dear parents and carers,

With the second full completed in school, we have all settled back in to school routines and children have begun their first learning topics of this school year.

In Maths, all pupils are beginning their learning exploring place value – identifying the value of digits in numbers up to 1 million by Year 6! In English, Year 3 are writing a narrative based on their trip to Priory Park, Year 4 are writing an Egyptian style traditional tale, Year 5 are writing a Greek Myth and Year 6 are writing flashback narratives.

Last week, we hosted our Meet & Greet Sessions in school. Thank you to those that attending, we hope that you found it useful. The presentations are on our school website – either on the landing page or the class pages if you were not able to make it but would like to view the information. If you did have any further questions, please do speak to your child's class teacher at the end of the day or via the school office.

Have a lovely weekend,

Emma Welch

Snack

We are really enjoying the 'snack and settle' time after break this year. It gives everyone a time to calm, refuel and listen to a lovely class book. A reminder that the snack should be fresh fruit or vegetable, or a fruit or vegetable item.

EG. Raisins, Yo Yo bear, dried apple rings. Pupils have between 5 & 10 minutes for this, so please send them with a snack that they can easily eat in this time frame.

Dates for your diary

4 th Dec	Parent Do Day

Allergy Aware

You might have seen on the news or social media recently that there have been changes in schools regarding allergy management. In September, all staff received allergy training and children also had an assembly this week to further raise allergy awareness. We discussed common allergens, signs of a reaction and how we can all work together by being more allergy aware. If your child has an allergy, please could you complete this brief form to check that we hold the most up to date information regarding allergies.
