

Dear Parents,

What an exciting week we have had!

There has been so much happening in school this week—our Year 3 children have been on their walk to look at the River Great Ouse—which they have been learning about in geography lessons. Our Year 4 children looked superb in their costumes as part of their Egyptian day—with a fantastic range of activities for them to be involved in. Year 6 have also been busy—visiting the Museum to find out about Crime and Punishment as part of their history learning, and a brilliant Chaos Science visit.

There was also the Friends of Priory disco too—it was so good to see the children back at the disco, and their excitement was clear!

Many of the above events would not have been possible without all the help offered by many parents—a huge thank-you to everyone who has helped with these.

I hope you all have a restful weekend.

Best Wishes,

Mrs Keefe
