

Dear Parents / Carers,

Our OPAL provision at lunchtime continues to be enjoyed by all our children. The beach area is a great hit—particularly in the sunshine—and it is lovely to see the children enjoying the area—digging and creating in the sand.

This weekend, we have our Community Build Day planned for Sunday. We'd love you to join us! Come along (10am—3pm) to help us—we are planning to move our earth mound to create a covering for our tunnel, move the boat to the beach and create mud kitchen. If you have a spade, or some tools to help, that would be great. If you have a wheelbarrow, that would be fantastic too! The more the merrier—we'll bring the snacks.

Best Wishes,

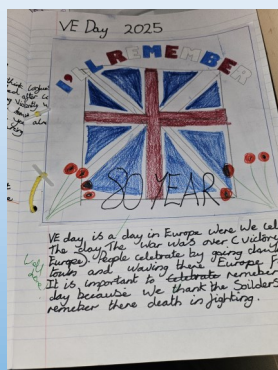

Mrs Keefe

VE Day Celebrations

Our children were transported back to the 1940s to mark the 80th Anniversary of VE Day. Dance workshops were held for all classes, transporting the children back to 1940s dance / music. They concentrated well, and showed great rhythm and moves in their dancing. Well done!

Our school caterer, ABM, prepared a special meal for the children with a hall decorated with bunting and table decorations.

Time was also taken in class to learn more about the VE Day Celebrations that took place 80 years ago, alongside a special assembly.

School Roundabout

Just a little reminder to ensure that children get out of cars on the pavement side of the roundabout to ensure their safety.

If you arrive by car and wait on our roundabout before the start of the school day, please could you switch off your engine.

We are keen to reduce pollution in the air, and by making this small adjustment, we can improve the air around the school site at this time. Thank-you.

PJS Community Day

Do you have a few spare hours to help finish two of our OPAL projects?

'The Mound'

Bring a spade and a wheelbarrow (if you have one!) as we move the soil dug out for our beach area to create a mound over the tunnel we have.

'The Mud Kitchen'

Bring your hammers and power tools to help build a mud kitchen.
