

# THERE'S ALWAYS ROOM FOR ANOTHER...

## 1st St Neots Scouts taster evening

Thursday 3rd May 2018

Pop in anytime between 6pm-7.30pm

As a Scout you can get to explore the big outdoors, travel to new places and try new things...

Not many people know about the stars at night, how to sail a dinghy or make sausage stew on a campfire, but you soon will! Scouting helps you learn lots of new and amazing skills-and you get to earn badges along the way.

We have recently opened a second Cub Pack (6-8yrs) along with a second Scout Troop (10-14yrs) and are now looking to open a second Beaver Colony (6-8yrs). If you have been on a waiting list or are new to the idea of Scouting-this is your chance to get involved!

Are you aged between 6-14yrs, or a parent willing to find out more? Then please come along to our free taster event and join in the fun activities to see what Scouting is all about!
