

GOING UP TO SECONDARY SCHOOL

**Free events for parents/carers of children in Year 6
and parents/carers of children in Year 5 and Year 6 who have an
EHCP for SEN**

You are invited to attend an ONLINE information session for parents who have a child going up to secondary school in September 2023. These events are separated into a general admissions talk and an admissions talk for parents of children who have an Education, Health and Care Plan only. If you are unsure if your child has an EHCP, please ask your schools SENDCO for more information.

The dates below have been arranged so that as far as possible they do not clash with the schools' own open events according to area. They are optional for parents to attend, and you only need to attend one event.
