

Dear Parents,

It was a busy week in school last week.

We had a Panathlon tournament—with a group of children from across the school representing us so well at the competition! We were very proud of their success.

We launched our online survey for parents—as part of our consultation on the next 5 years at Priory Junior School. If you haven't contributed to this, please do—as the governing body will be considering all stakeholders contributions as part of this review. You can access the survey [here](#).

Individual photographs were taken, and it was great to see families back in school, being able to have photographs with younger siblings too.

We also enjoyed the Year 6 coffee morning on Friday—thank-you to everyone who came along. Together, we raised £121.54 for Cancer Research.

In addition to this, we were also visited by Ofsted. Once we receive their report, we will share this with you all.

Best Wishes,

Mrs Keefe

Children in Need Day

Please wear your spots to school as part of Children in Need day for a donation to the charity.

Donations can be made online at [Just Giving](#)—click on the link to do so.

SEN Surgery

Do you have any concerns regarding your child's progress in school, in relation to special educational needs? If so, Mrs Durham, our SENCO (Special Educational Needs Co-ordinator) will be holding a surgery for parents on Wednesday, 30th November—from 1—4.30pm.

This is an opportunity to discuss any concerns about SEN with Mrs Durham—please make an appointment through the school office. Appointments can be in person, or online.

Parents Do Day	7th December
Christmas Lunches *NEW DATES*	8th / 9th December
Christingle	21st December

Panathlon

Well done to our eight children representing our school at the recent Panathlon competition. They were amazing—and awarded the silver medal for their group.

The competition involved them taking part in seven different sporting events, earning points for their team. Well done!

Half-Termly Overviews

Attached to this newsletter are the half-termly overviews for your child's learning this half-term.

There are some exciting and rich areas of learning taking place in school this term.

We hope the overviews are useful to you, along with information about the books they will be exploring in English.
