Dear Parents,

Re: Transition to New Classes Arrangements

We are preparing in school for September and at the time of writing, we are still awaiting the guidance from the DfE regarding this.

However, we know that for all our children, they will want to know who their class teacher will be next year. The following activities will be taking place for all children in the school, and we hope you will all get involved in these.

On Friday, 10th July there will be a Zoom event for each year group. In these sessions, children will find out who their class teacher is for the coming year, and a little bit about school life in that year group. **You will need to register for the event – providing your child's name. Please do this in advance, so that you are able to access the event on the day.**

Please register for this event as follows:

Current Class	Session Date and Time	Register at the following link:
EW3, JB3, BP3	10 th July – 3pm	https://us02web.zoom.us/webinar/register/WN_ZFsLFf3QSWu-Y0Y0JtHDqQ
DF4, JE4, TR4	10 th July – 2.30pm	https://us02web.zoom.us/webinar/register/WN_ZvOMamxOSCS0Rxyc6XATQA
AG5, KB5, SH5	10 th July – 2pm	https://us02web.zoom.us/webinar/register/WN_1ngfjEfOTjWIVgRuXkRfwA

After registering, you will receive a confirmation email containing information about joining the webinar.

We usually hold an assembly in school which the children find very exciting – we will try to provide a little excitement for them through the Zoom event.

Following this, your child's new class teacher will leave them a short getting to know you activity in See-Saw. Please support your child in responding to this before the end of the year. This will also be complimented with a letter from your child's new class teacher.

Once we have the guidance from the government about re-opening in September, we will send you a letter about the arrangements that we will put into place at that stage.

We know that your children have been out of school, and home-learning, for a long period of time now, and we will do our utmost to ensure they have a smooth transition back to school learning for them, when that time comes. We really hope, and expect, that to be in September.

Yours sincerely,

Tracy Keefe
