Update

We are very pleased to inform you that our title is now **Education inclusion Family Advisors** instead of Early Intervention Family Workers. Recently our role was re-evaluated to reflect our move to the Alternative Education Provision and Inclusion Service from Early Help.

Please be reassured that we will continue to provide support to families. We will also continue to deliver the workshops and drop ins across our schools. The referral process remains the same so please contact us if you need any support or information.

Activity Idea

See below some ideas for promoting Self-Care for our children, why not try one a day for the next week

Cam Sight

Cam Sight run fun, interactive group sessions for children and young people living in Cambridgeshire with a visual impairment. Our groups provide an opportunity for the children to meet their peers in the VI community and build long-lasting friendships.
