

13th November 2020

Dear All,

Unfortunately, we will not be able to run our much-loved Christmas fair this year due to the current situation. However, all is not lost! We have been working hard to find a way to bring a part of the Christmas Fayre and all its excitement to the children in school. With the help of the teachers we have devised a plan to enable us to do this and are pleased to share with you the present room will be running this year!

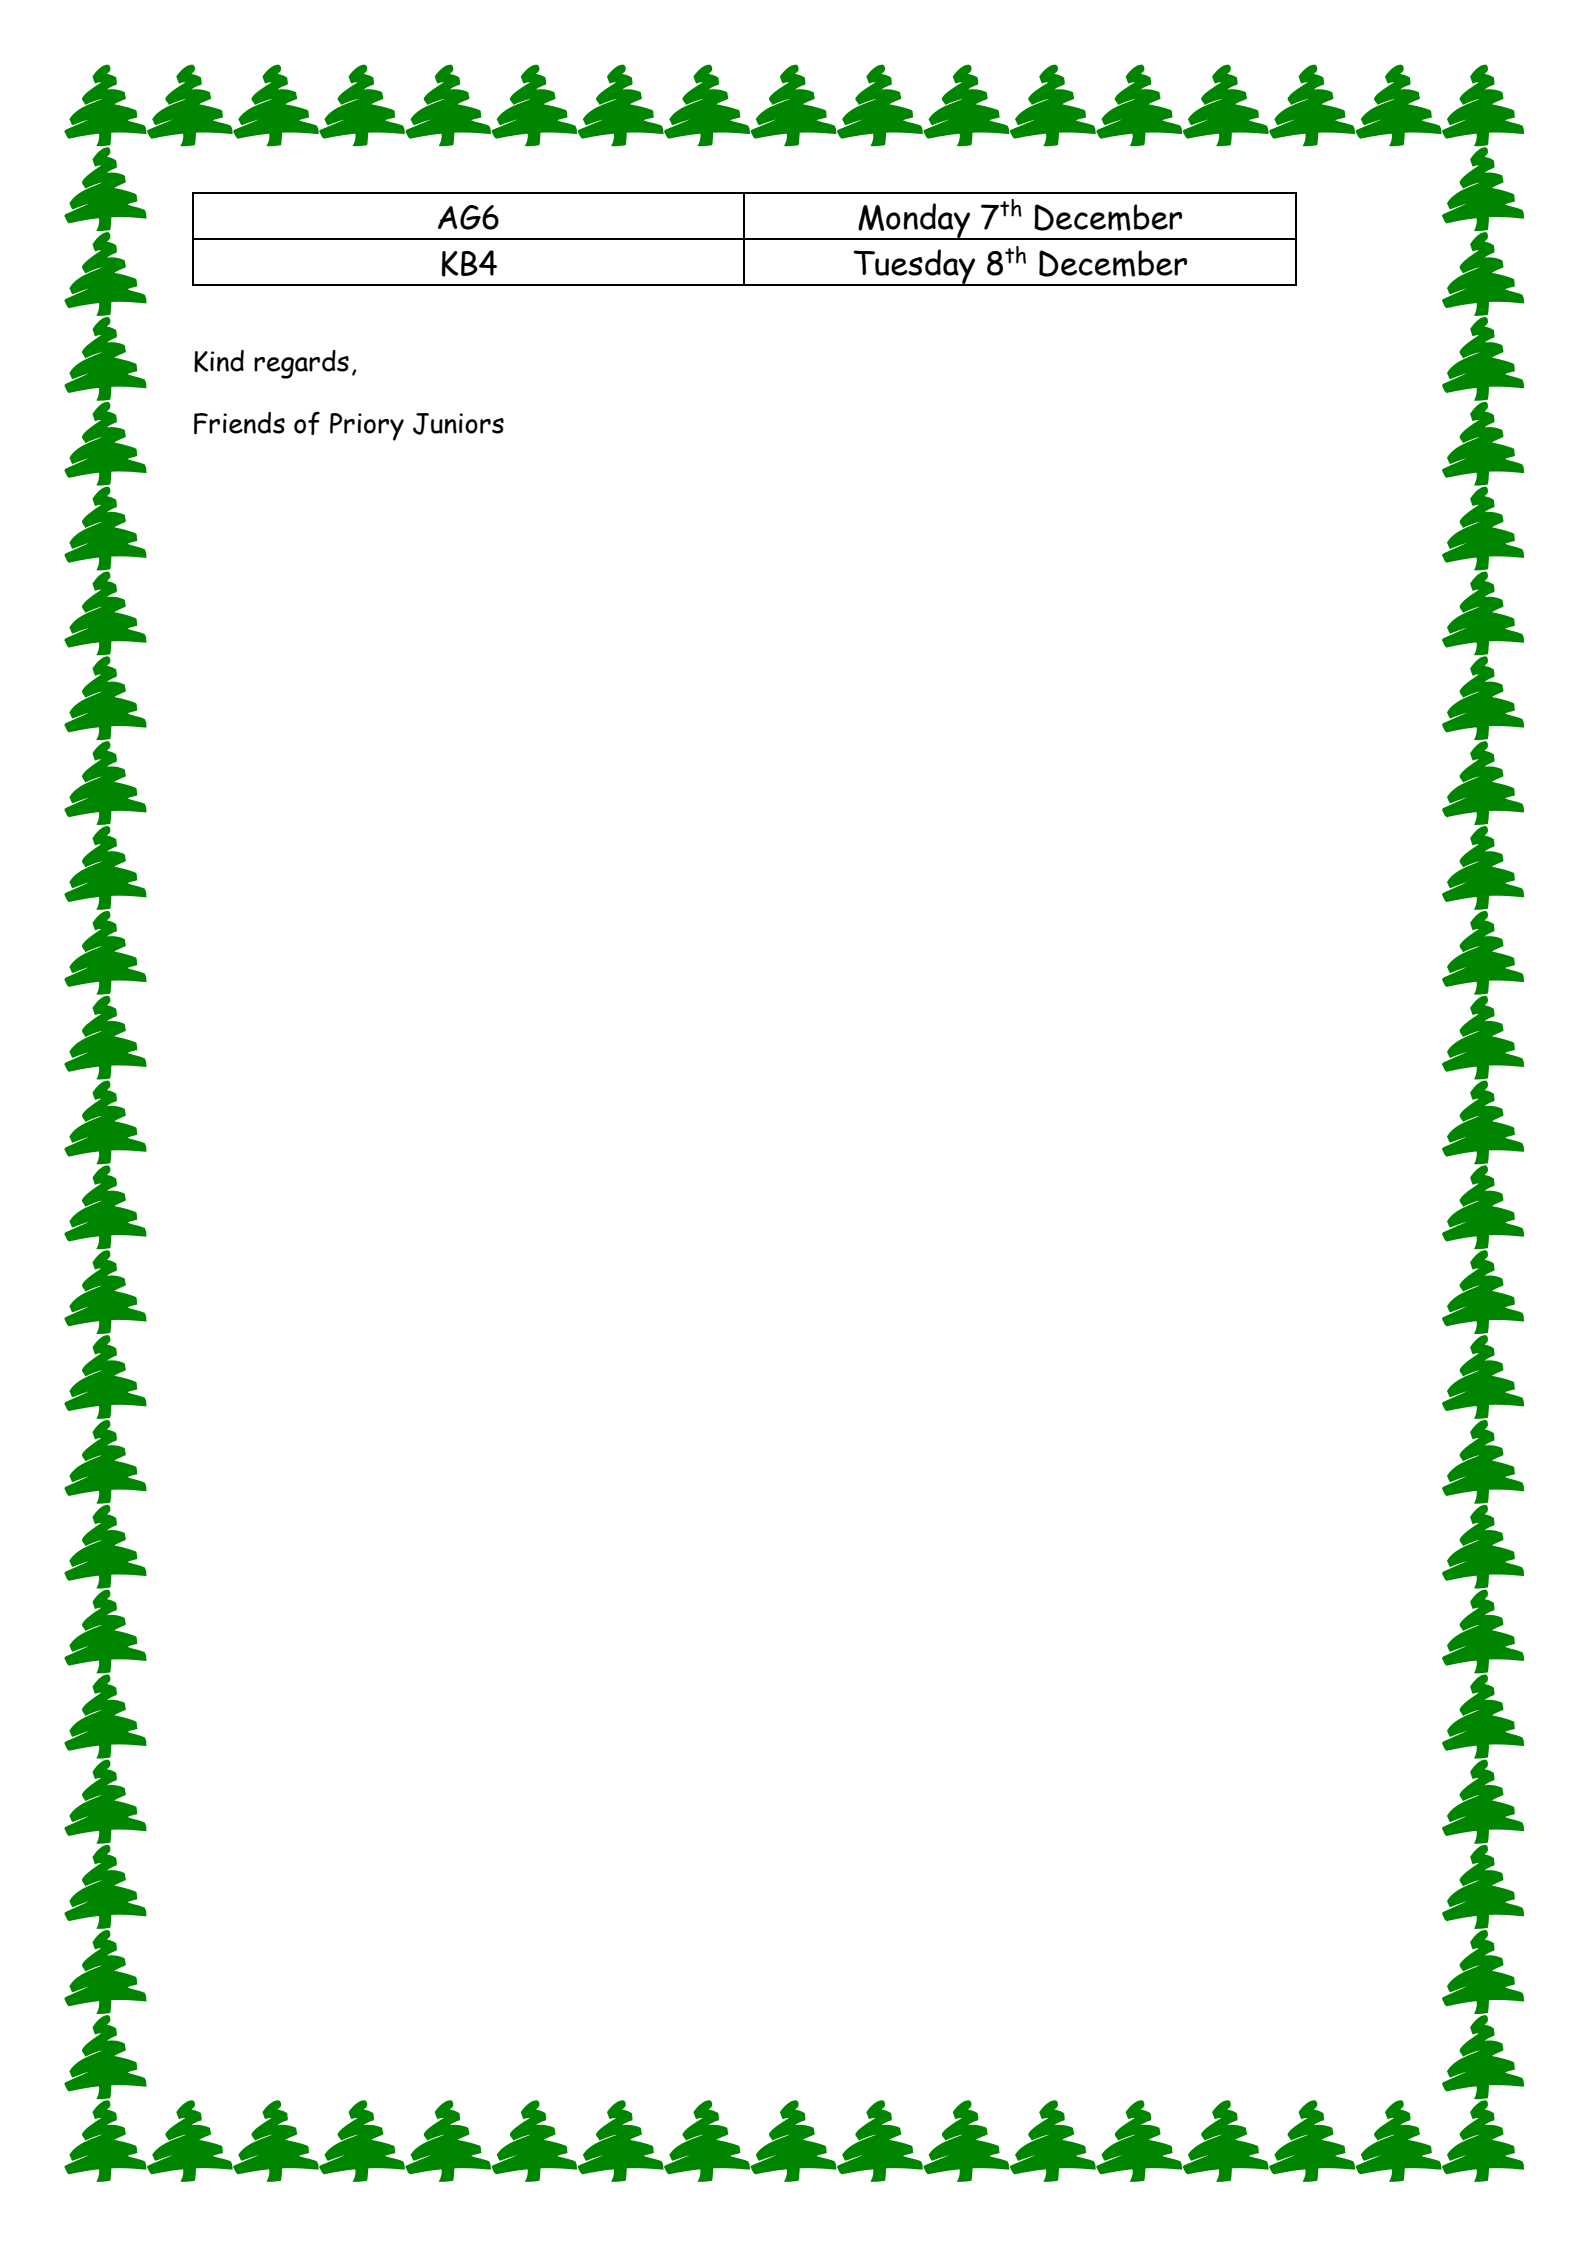

The present room is a big part of our Christmas event that is very much loved by the children, and allows the children to buy a pre-wrapped gift for loved ones, usually a parent or grandparent but there is no restriction as to how many they can buy or who they choose to buy for. However, it is worth noting that gifts are purchased more with adults in mind not siblings. Each gift is £2.50.

The children will choose their gifts from the safety of their own class bubble. Each class will be given a sample box containing one of each item available to purchase. Gifts will then be delivered to the children to take home. This is to avoid unnecessary contact, moving around the school and any cross contamination between bubbles.

As we are unable to offer a first come first served system, we have purchased a higher volume of gifts than usual to ensure all children get a variety of gifts to choose from. Classes have also been selected at random out of a hat to offer the fairest way of ordering the classes.

Please ensure the correct money is sent in with your child on their class selection date for the number of gifts they'd like to purchase. No change will be given to avoid cross contamination. The dates for the present room for each class are as follows.
