

WELL

Alone, Abandoned,
Forgotten forever.
Until thy gave in,
To a young girl, Clever

Intellect was she,
Trustworthy and Homeschooled.
Yet despite her youth,
Very intelligent, don't be fooled.

He sent us a message,
With meaning unknown,
"I'm nothing. Nobody."
It seems garage is home.

What power did he have?
Why succumb to dust?
Was it an accident,
Or purposely, he must?
